## A Message from the President

Hello again fellow fly flinging fisherpersons. I'm sorry that I will miss you all again this month. I will try to console myself by taking in an extra show or two while visiting Branson, Missouri.

I'm sure that everyone is aware that it is time to start planning and working toward our annual February Expo. It will be the last Saturday in February (the 25th). Our Vice President, John Soper, is in charge of getting the project off the ground and heading toward culmination. I am certain that it is quite intimidating for him (I know it would overwhelm me). There are a bunch of you folks who have been in his shoes before and I feel secure in believing that you will step up and help in any and all ways necessary to make it as much a success as it has been in the past. As always, we will need lots of donations for the auction table. Put your thinking caps on and come up with some people and businesses who will donate items that will bring good returns for our club. I know that we will have some talented people there tying flies. I, also, know that a lot of you people are good tiers, as well, so whip out a box or two of flies for the auction. John mentioned to me that the Expo was brought up at the last meeting so, the ball is rolling. Let's keep it going and make a memorable Expo out of this 2012 event.

Keep your hooks sharp and for gosh sakes don't stand on your line when you're casting,

Russ

Besides the Expo... we need to think about who will fill the officer positions in the coming year. If you're interested in stepping up, put your name in the hat!
